

"Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of the dangers of
media consolidation.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. They
show why the license
renewal process
needs to involve
more than a returned
postcard."

This is clearly a
move by Sinclair to
manipulate the
public for their own
benefit and
political gain. This
type of propaganda
before an election
only serves to
erode our democratic
system and faith in
our institutions.
Please move to act,
and censor Sinclair
for its poor
judgement and
actions. Thank you.
